FOREWORD

We, the class of 1931, have prepared and do present this contribution to the history of Northfield High School; hoping that it will be helpful to our parents and our school, and make us remember that chapter of our lives passed at our Alma Mater.

FACULTY

The class of nineteen-thirty-one wishes to express its appreciation to the members of the faculty for the help they have given us during our four years at Northfield High School. We will always have pleasant memories of the interest you showed in us and in everything we undertook to do.

NORTHFIELD HIGH SCHOOL FACULTY

JOHN N. ERICKSON B. S., PRINCIPAL

Colby 1928

Instructor in Physics and Science

Although Mr. Erickson has been with us but two short years, we have come to know him as a man of the highest standards. The class will greatly miss his cheerful disposition, his ever-ready suggestions and aid at all times, and his interest in all social and athletic functions of the school.

May he guide the footsteps of many to follow.

MISS MYRTLE A. ROGERS

Assistant Principal

Albany Business College 1915

Every student who has had Miss Rogers for a teacher holds a deep admiration and respect for her. She is of a quiet, unassuming nature with a rare sense of humor. N. H. S. would seem strange indeed without her; for by her several years of efficient work and assistance she has made a place for herself that would be hard to fill. We hope the succeeding classes will appreciate her charm and ability as the Class of '31 does.

MISS HELEN DEVINE A. B.

Trinity College 1927

Instructor in Foreign Languages

Miss Devine is the teacher who makes classes jolly with her wit and humor. But tho' she is fun both in class and outside of school hours, there is no bluffing her. Woe to the person who attempts it.

We don't know how she does it, but she makes us work, and, she makes us learn in spite of ourselves.

MISS MARGARET E. SALMOND A. B.

Colby 1928

Instructor of English

Altho she has been here but a brief year, Miss Salmond has established a firm place for herself in the heart of N. H. S. Her readiness to help a student seeking advice is always evident.

She displays a keen interest in any topic the class may bring up if it isn't wandering too far from the subject under discussion. She is very tactful and seeks to draw out the backward student, giving him ample opportunity to display his entire knowledge of the lesson, be that knowledge great or small. May she stay and help the future English students as she has us, the Class of '31.

MISS MARION BURNS, A. B.

Georgian Court 1923

Instructor in History

Miss Burns has won a permanent place in the hearts of the Class of '31, through her loyalty and friendship. Although she is small in size and is very quiet, her wide knowledge of History has made many a dark day bright and full of interest especially to the members of the Ancient History Class who have appreciated her first hand knowledge of foreign places. "Be definite in all you do, say, or write," is the motto of this capable teacher and the Class of '31 is sure to prosper if they follow her advice.

LEILA BATES PH. B.

University of Vermont, 1930

Miss Bates has proven herself capable and efficient as a teacher and worthy of much praise. Outside of her work in the English Department she has found time to help in many school activities with her cheery smile and kind words. May she remember our good deeds and forget our faults.

We all hope that she may remain to guide the future classes to their final goal.

MRS. H. A. WHITNEY

Instructor in Music

Ten years private instruction in piano and harmony under Dominique Ducharme, Paris Conservatory graduate, and Emiliano Renaud, pupil of Leschitzky, Montreal. Three years in summer school of University of Vermont Music Department.

Mrs. Whitney has been with us during our four High School years. We look back and wonder what we could have done without her.

Her ever-ready smile, her willingness to help and advise the class, and her enthusiastic cheers at basketball games have been highly appreciated.

Mrs. Whitney has been our efficient and greatly valued teacher of music. The success of operettas, musicales, and commencement exercises has all been due to her efforts. She deserves the best ever and we the Class of '31 sincerely hope that the future years will be as pleasant as these have been to us.

RICHARD J. RACE A. B.

Colby 1929

Instructor of Mathematics

Although Mr. Race has been with us only one year he has won a place in the heart of each member of the class. His untiring efforts to make ours a better school, is appreciated by all. His quiet deep nature sets him off as a deep thinker. Only a few members of our class have had the opportunity to study under him; nevertheless we feel that he has contributed his part to our knowledge. Mr. Race is always ready to offer a willing hand in any school activity. He is always present with a kind suggestion. The class of 1931 will remember him as a sincere friend.

SENIOR CLASS HISTORY

Four years ago in the fall of 1927, we entered High School with minds open for the impressions we had been informed would mold our lives. The first impressions were received by the boys and were not on their minds, as with coats wrong sides out, stockings down, and sporting a generally mussed-up appearance, they ran the gauntlet of leather belts held by worldly-wise upperclassmen. Just a few wallops, possibly to help them on the road to success!

After this persecution we were made to feel a little more welcome by a Freshman Reception sponsored by those formidable Sophomores.

During our first two years we joined in all school events. We added our musical voices to "Penny Buns and Roses," our boys practiced basketball though they didn't make the team and in everything we showed our school spirit, never, however, forgetting the air of humility that must predominate in the appearance of an underclassman.

During our third year we raised our heads a little higher, but did not assume the lordly air which some Juniors possess and which everyone knows is the property of Seniors only. We had representatives in boys' and girls' basketball, the operetta, chorus, glee clubs and orchestra. Junior sandwich sales and dances swelled our treasury and showed our pep.

We entered last fall for the last lap—entered not only the building but every event connected with Northfield High School. Our boys starred in basketball, our girls showed much improvement in their playing, the operetta cast named Seniors as did also the orchestra and glee club lists.

As we leave N. H. S., we bestow our best wishes upon the other classes that they may escape the mistakes they see we have made, and boost the ideals of the High School higher.

Rosamond Allen

"Rosie"

1st. Honor

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses," "Riding Down the Sky;" "Tulip Time;" Pianist; "Tea for Tom;" Honor Roll (1,2,3,4); Song Leader (2); Basketball (3,4); Marshall (4); Editor-in-chief of Rambler.

Rosamond is looked up to in the classroom, for her presence assures us that the rough points will be made smooth and the teacher's disposition will not be ruffled. "Rosie" has a sunny smile and a kind word ready for everyone. For her we feel sure that the following statement will be true, "Quality minus fault yields success."

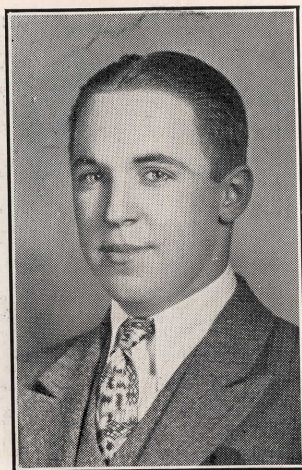

Albert Averill

"Ave"

Chorus (1,3,4); "Riding Down the Sky."

"Pelier?" "Barre?" You said it, it's "Ave" down on the corner trying to get somewhere. "Ave" is the Romeo of the class, always smiling and ready to lend a helping hand. "What the well dressed man should wear," is "Ave's" latest motto. His favorite pastime is taking a nap in English class, but that's all right for perhaps he didn't get enough sleep the night before. The class of '31 wishes you luck in whatever field you may choose, "Ave."

Clayton Berry
"Johnny"

Chorus (1,2,3,4); Cheer Leader (4); Marshall (4); "Tulip Time;" "Tea for Tom;" Secretary of Rambler.

A great sport and a jolly fellow, he is never fazed by minor things, and always manages to succeed easily. Whenever he is around, things are sure to take a happier course.

We all wish him the best of luck and success when he starts out in life.

Aline Bouchard
"Al"

5th. Honor

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" Honor Roll (1,3,4); Marshal (4).

The class of '31 has been very fortunate in having this dignified Senior. Her pleasing ways have won her many friends during her four short years at N. H. S.

Altho' quiet and unassuming she has lots of school spirit which shows not only in activities outside the school but in the classroom.

We are sure she will succeed in whatever her chosen career may be.

Dolores L. Christmas
"Dolly"

Chorus (3,4); Glee Club (3,4); "Riding Down the Sky," Principal; "Tulip Time," Principal; "Tea for Tom."

Dolores is the type that goes through life, throwing a smile here and there, and leaving the world better because she was in it.

Apparently never serious and always laughing, Dolores promises to take any knocks that are coming to her with her usual good humor.

Her lovely voice has a rich promise that we hope the future will fulfill.

May she always be our laughing, singing classmate, and may she have the success she deserves.

Everett Corbett
"Corb"

Chorus (2,3,4); Marshall (4); Stage Manager, "Tea for Tom"

He is a true easy-going and good-natured friend who will not soon be forgotten by his classmates. His pleasant smile will win him success.

Our only advice to you "Corb" is to borrow something besides a Ford when you go out riding.

**Irma Creed**

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" Burlington Musical Festival (4); Basketball (4).

Although quiet and composed, Irma is the type that is always ready for a good time. She is always frank in her opinion of people and things. May her composure and steadfastness bring her much success and happiness in the future.

Doris Cross
"Dor"

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" Burlington Musical Festival (3,4).
"Tea for Tom."

Doris is an all-round good sport. She knows when to be serious and when to be gay. She is as successful in social activities and sports as in the classroom. Her cheerful smile and pleasant line of chatter are welcome in any gathering. Her pleasing personality is sure to win her many friends in the future, and her willingness to try cannot help but bring her success in anything she undertakes.

**Francis Flood**
"Johnnie"

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" Principal; "Tulip Time;" Principal; "Tea for Tom;" Marshall (4); Baseball (3,4); Basketball (4).

The future sees this smiling young gentleman a partner in the famous Wheeler and Woolsey combination, alias Flood and Howd, wisecrack artists. He has already given proof of his talent in the past plays and operettas. He has given us many laughs in the class room by his cracks, wise and unwise; cracks unwise sometimes call for a visit in the Office, but "Johnnie" always comes smiling thru.

**Anthony Giroux**
"Tony"

4th. Honor

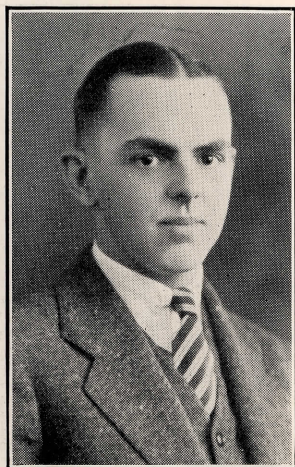

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" Principal; "Tulip Time;" Principal; Honor Roll (3,4); President (2); Treasurer (4).

Although quiet and a bit shy "Tony" never misses a good time. Many of us envy his good looks and his melodious voice which is heard at all High School entertainments.

The class of '31 will never forget "Tony's" cheerful disposition and may he always be the smiling happy-go-lucky fellow which he has been while in N. H. S.

Atwood Hardin
"At"

Chorus (1,2,3,4); Glee Club (1,2,3,4); Orchestra (1,2,3,4); Associate Editor of Rambler; Vice-President (1); Treasurer (3); "Riding Down the Sky," Principal; "Tulip Time," Principal; Basketball (4); Baseball (3,4); Marshall (3) Head-Marshall (4); "Tea for Tom."

Here we have dignity, personified. His friendliness and cheery smile have won him many friends.

"At" has won fame as a musician; he is a fine dancer and whenever there is a good time he is always present and ready to do his part in making it a success. We wish him success in his chosen profession, Medicine.

Wallace Holden
"Wally"

"Engaged by Wednesday;" Basketball (2,3,4); Captain of Basketball (4).

Wally was our efficient basketball captain. He proved to us his ability to lead, in the way he handled our successful basketball team. May he have as much success in life.

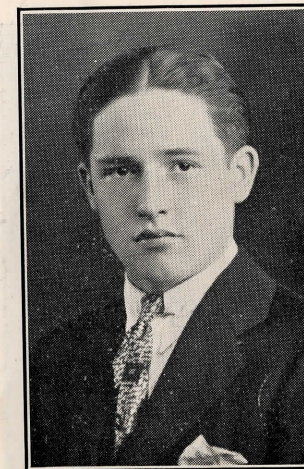

Meriden Howd
"Red"

Chorus (1,2,3,4); Glee Club (1,2,3,4); Honor Roll (1,4); "Riding Down the Sky," Principal; "Engaged by Wednesday;" President (1); Marshall (4); Basketball (3,4); Baseball (3,4); Manager of Basketball (4).

A funny story, a good laugh, a lot of noise and you have "Red," one of the brightlights of our class (owing to his hair of course). His bright looks seem to attract the girls in somewhat the same way that an electric light attracts moths; even so, "Red" seems to be pretty well on his way toward managing the "Pando" Granite Company.

Best luck Red.

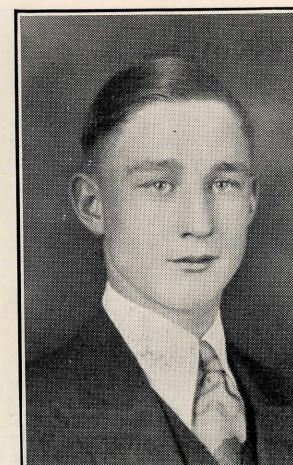

Lincoln Karr
"Red"

Chorus (3,4); Glee Club (3,4); "Engaged by Wednesday;" "Riding Down the Sky;" "Tulip Time;" Advertising Manager of Rambler; Basketball (3,4); Baseball (3,4).

A smashing of a fist on a desk—a tightening of lips—that's "Red" showing his disgust. Then it's all over and "Red" is smiling again.

Sometimes one observes a thoughtful expression on his face and one wonders what he can be thinking of. Many a girl would exchange the proverbial penny for his thoughts.

The best of luck to you, "Red." Here's hoping those thinking moments may bring you great success.

Juanita Kittredge
"Nita"

2d Honor

Chorus (2,3,4); "Riding Down the Sky;" "Tulip Time;" Honor Roll (1,2,3,4); Secretary and Treasurer (2); Marshall (3); Glee Club (4).

"Our Modern Maiden," that's "Nita." "Nita" has won the hearts of the class of '31 by her pleasing personality and cheerful disposition.

She is a speed fiend on the typewriter as well as in the car.

We hope she will "Waite" for success and that there will be nothing "Holden" her.

Mildred Legier
"Millie"

Chorus (1,2,3,4); "Penny Buns and Roses;" "Tulip Time;" Assistant Business Manager.

Yes, this is "Millie" with her sunny smile and pleasing ways. She is noted for her debating powers and we all enjoy the stories she reads and writes.

Her quiet and staid appearance is offset by her winning personality. She is a girl who is full of fun and who can get a good time out of any occasion.

Alice McNamara
"Al"

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" Marshall (3,4).

Alice is a very loyal classmate, quiet, yet active. She is always waiting to do her share in any activity of her class. She has beautiful red hair, but we must contradict the saying, "red headed people have fiery tempers;" that is not at all true of Alice.

We extend our best wishes to you, Alice, for happiness and success in life.

Donalda Messier
"Don"

Chorus (3,4); Glee Club (3,4); "Riding Down the Sky;" "Tulip Time;" Basketball Captain (3,4).

"Don" is one of our jolly and lively students who is willing to help anyone at any time. She has a true school spirit which she displayed on the basketball floor as well as in her loyal support of all school activities. May she be as successful in life as she has been in our Alma Mater.

Hazel Moore
"Haze"

"Silence is Golden"

Hazel is an industrious worker and she always has time for rosy-hued dreams of the future. She follows enthusiastically the basketball games, rooting whether we win or lose. We have found Hazel a quiet and demure classmate.

Here's to you Hazel, and we feel sure that your desires will be attained.

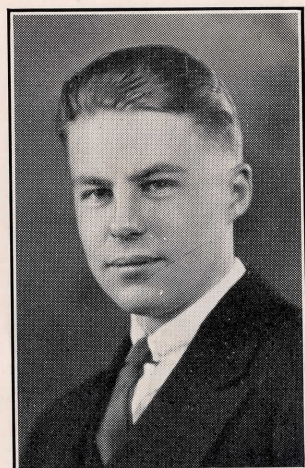

Bruce Morgan
"Morg"

Chorus (3,4); Glee Club (3,4); "Riding Down the Sky," Principal; "Tulip Time," Principal; "Tea for Tom;" Orchestra (4); Debating (3); Marshall (3).

Bruce can rightly be called "The Man Nobody Knows."

However, what little we have learned of him by observation is of the best—though quiet and reserved he is ready with the correct answer in the classroom and the needed assistance outside.

He seems immune to feminine charm, but we hope that he will not stop trying to gain that "Hill," though it may seem a stiff climb at first.

Hazel Norman
"Hayes"

Chorus (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time."

Hazel is one of our most enterprising young ladies. The fact that she lives four or five miles from school and has to walk most of the distance, proves that she will not let difficulties keep her from reaching the goal she has set for herself. We feel sure that she will be successful in anything that she may undertake to do.

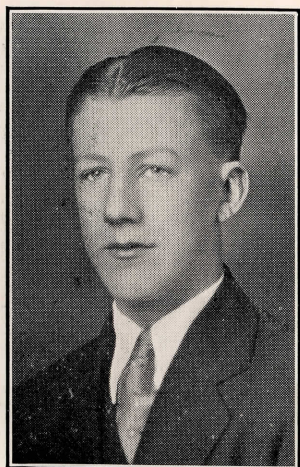

Ethel Owen

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time."

What's that? Ethel whispering again? Always whispering, always cheerful, always looking on the bright side of life. In Ethel, we have a true friend and a loyal classmate. We wish her the best of luck in whatever pathway she chooses.

Lester Slack
"Cy"

Chorus (1,2,3,4) Glee Club (1,2,3,4) "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" "Tea for Tom;" Vice-President (3, 4); Marshal (3,4); Business Manager Rambler.

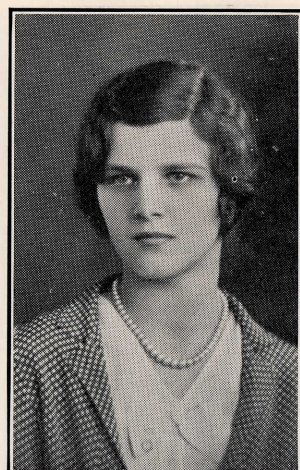

May we present Lester, our efficient manager? He goes about his work carefully and methodically and there is never any doubt about his attaining the goal he sets for himself. The class of '31 hope that the success you have had in N. H. S. will be continued in whatever you may undertake to do in the future.

Beatrice Wescott
"B"

Third Honor

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" Principal; Basketball (4); Honor Roll (1,2,4); Associate Editor of Rambler; "Tea for Tom."

This demure little maiden, with her winsome smile has won a place in the hearts of the class of '31. We know Beatrice as a hard-working, studious person and a loyal supporter of her class and school. We predict a brilliant future for "B" in whatever work she may take up.

Roseian Marie Willette
"Rosy"

Chorus (1,2,3,4); Glee Club (4); Basketball (3,4); Marshal (4); President (3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time," Assistant Stage Manager.

"Nothing great was ever achieved without enthusiasm."

Rosy is the girl with the executive ability who has put spirit into everything that the class has attempted. She is a jolly companion, a true friend, and one who is ready to help at all times. She is an all-round girl and has proved her skill in basketball and dancing. Best of Luck.

Maxine Hatch
"Maggie"

Chorus (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time."

Although "Maggie" is small, she lets the world know she is a part of it. She never fails to greet her friends with a pleasant smile. We are very fortunate to have this little Miss among us for without her the Class of '31 would not have been complete. May she succeed.

Nadine Hatch
"Shorty"

Chorus (1,2,3,4); Glee Club (1,2,3,4); "Penny Buns and Roses;" "Riding Down the Sky;" "Tulip Time;" "Tea for Tom," Marshall (4); Secretary (4).

Nadine always greets her friends with a smile and a cheery word. She is a quiet, dependable and is always ready for a good time.

She has been very popular among her classmates and we hope she will be successful in anything she undertakes to do.

JUNIOR CLASS HISTORY

One more year of work, play, and companionship has carried the class of '32 within sight of the goal. How unattainable seemed the dignified position of the seniors on that day in September, 1928, when we entered these portals of learning. We soon adapted ourselves to the new routine in such a manner that we had time for outside activities, social events, and true friendships. As Sophomores, we welcomed the Freshmen by a formal reception in the Amory. During our second year we strengthened the already promising representation in all of the outside activities. And now as we look back upon our Junior year, nearly completed, we may feel justly proud that '32 has been amply and creditably represented in both boys' and girls' basketball, the orchestra, the glee club, the operetta not only in excellent principals but also in special choruses and in the management, and lastly in furnishing a good share of the Thursday morning programs. The never-ceasing parade of years speeds us on to complete the last lap of our journey. As seniors we shall endeavor to exert the same co-operation and school spirit which has carried us thus far, in order that our teachers and friends in other classes may have only pleasant memories of the class of 1932.

SOPHOMORE CLASS HISTORY

When we think of histories one of the first things we think of is important dates. Sept. 1929 is the important date in our history. Although the Sophomores found it their "unpleasant" duty to give us the proverbial hazing, they proved to us that they were not wholly against us by the royal welcome we were given at the Freshman Reception. We took part that year in as many school functions as Freshman find it possible to participate in and we looked forward to the next year when we would be considered a real and vital part of N. H. S.

Sept. 1930! Could it be possible that we were no longer mere Freshmen? It seemed almost too good to be true. To make the Juniors and Seniors realize that we had actually shaken the dust of "rookdom" from our feet, we did our work with a will and did our share in making the school activities successful. We are now looking forward to two more happy and profitable years with our schoolmates at Northfield High.

FRESHMAN CLASS HISTORY

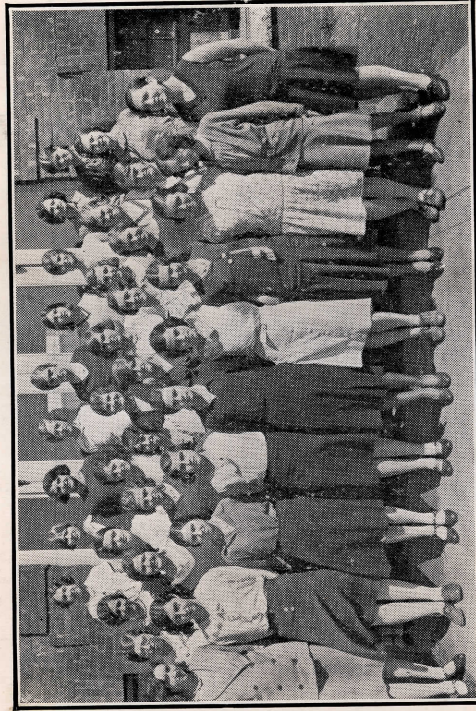

Members of Northfield High School! How good those words sounded to us as we entered N. H. S. last September. It was not long, however, before we began to wonder if we had not been a little bit rash in designating ourselves as "Members." We found the upper classmen hardly saw us in that light. To them we were merely "Rooks." We decided, nevertheless that the Sophomores could entertain with as much pep and enthusiasm as they could haze, when they presented us to N. H. S. society at the annual Freshman Reception. Being but "Rooks" this year, we have been unable to demonstrate to any great extent our powers as musicians, athletes and school officials, but we assure you that, before our four years are up we will have proved our willingness and ability to carry on the work of our High School.

NORTHFIELD HIGH SCHOOL MARSHALS

GIRLS GLEE CLUB

The Girls' Glee Club under the leadership of Mrs. Whitney has been very busy this year. We were in most of the songs of the Operetta and are planning to take part in a combined Glee Club Concert to be given by the Norwich Cadets and the High School Glee Clubs. Many of our number are going to Burlington May 8th and 9th to enter the Music Festival which is to be held there. We feel that it is quite an honor to be asked to attend since this is the first one ever held. The Senior Girls wish to thank Mrs. Whitney for her part in our Commencement music.

BOYS' GLEE CLUB

Every Friday afternoon the Boys' Glee Club meets in the assembly under the able direction of Mrs. Whitney. The boys have shown much interest in the Glee Club and contributed a great deal toward the success of the Operetta. Several members of the Glee Club also took part in the Music Festival held at Burlington.

THE HIGH SCHOOL ORCHESTRA

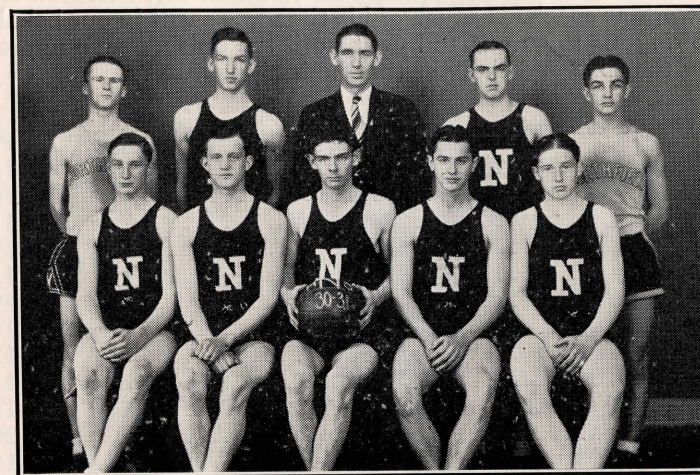

Although a pianist and two violinists were lost by graduation, three new members were found to take their places. The Orchestra played for the Operetta and took part in the State Music Festival held at Burlington. Taking everything into consideration it can be truthfully said that the Orchestra had a very successful year.

N. H. S. OPERETTA, "TULIP TIME"

Tulip Time, an operetta in Two Acts was presented in the Norwich Armory, Feb. 27, with the assistance of the chorus, the orchestra, and the faculty. The play itself, a combination of catchy songs and witty lines, both of which were cleverly executed by the cast, is briefly summarized in the following paragraph.

The village of Osendorf, Holland, enjoying a holiday, is startled by the arrival of a party of American students under the leadership of Professor McSpindle, who comes to study Tulip Culture. The young men of the party become interested in the Dutch girls. Ned and Dick are fascinated by Christina and her friend Katinka. News reaches the village that a thief has been stealing choice Tulip bulbs. Ned and Dick induce the Professor by a clever ruse to appear like the description of the thief. He is arrested but Anna establishes his innocence. Ned thwarts the Burgomaster's attempt to gain possession of some American bonds which Christina owns. Dick loses no time in making love to Katinka. Even the Professor forgets his aversion to the ladies and all ends happily.

BASKETBALL 1930-31

On November 10, basketball practice started under the direction of Mr. Erickson. Class games were played at which time Mr. Erickson had a chance to get a line on his material. After the class games ended, Mr. Erickson put his time into building a winning combination. In the first game, on Dec. 5, our team composed of veterans decisively defeated Randolph 29-15. The following week we were beaten to the tune of 30-12 by the strong Spaulding team. The team continued winning one and losing one alternately throughout the remainder of the season. On Feb. 21, at the Headmasters Club Meeting at Burlington, Northfield was chosen to play Hartford in a play-off game at Montpelier on March 3, the winner to enter the Senior Tournament. The team was victorious 21-16 in that contest. On Friday night, March 6, in the last game of the preliminaries the team went up against the strong Cathedral outfit. The boys were defeated 39-28 after a great fight. With the exception of one bad period, the second, the boys were not outscored more than two points. Each player fought his very hardest until the end and deserves great credit for the gallant fight against a great opponent.

The letter men were: Capt. W. Holden, L. Karr, M. Howd, J. Diego, D. Comi, A. Fernandez, F. Flood, A. Hardin, and H. Bryant.

The members of the squad wish to thank Mr. Erickson for his work as coach. Much of his time was spent in our behalf inspiring us to go out and fight until the finish. We appreciate the time and thought that he has given to us.

The schedule is as follows:

GIRL'S BASKETBALL

This was the girls' second year at basketball, and although their defeats greatly over-balanced their victories, they showed much improvement over last year. As Rome was not built in a day, neither is an excellent basketball team organized in two years, but a fine team is certainly in the making among the Northfield High School girls. The girls lost most of their games by very few points, and always showed a "fight to the finish" spirit.

Coach Erickson had a very efficient assistant this year in Mrs. Erickson. The girls soon became acquainted with her and enjoyed her presence at practice and on trips very much. Both her efforts and those of Mr. Erickson are greatly appreciated by the girls.

BASEBALL 1931

Baseball candidates were called out on April 18. About thirty-five reported for practice at Hurley's Field at Northfield Falls where all the practices and games were held. Ten new uniforms were purchased for the squad. No games had been played at the time of this writing. The prospects for a strong team were promising. The schedule follows:

SCHOOL NOTES

On Friday evening September 19, the class of '34 was introduced to their new friends and the faculty at a reception given by the Sophomore Class, a reception which lasted from eight until nine o'clock. Members of the School Board, the Faculty and Class Presidents were in the receiving line. Dancing followed the reception and lasted until 12 o'clock, with the Cadet Orchestra furnishing the music.

THURSDAY MORNING ASSEMBLY PROGRAM

On Thursday morning of each week programs have been presented by the various classes. The programs have consisted of readings, sketches, and music.

ORATORICAL CONTEST

Mary Whitney represented N. H. S. at the District and State Oratorical Contests held at Montpelier and Burlington. In the District Contest at Montpelier, Mary won second prize which is a one hundred dollar scholarship to the University of Vermont. The winning of this prize entitled her to be a contestant at the state finals which were held in Burlington. Here she won third prize which is an additional seventy-five dollar scholarship to the University of Vermont.

At these contests, each speaker gave a six minute prepared speech on some phase of the Constitution of the United State. These speeches were followed by four minute extemporaneous speeches on an assigned topic. Mary chose as her topic "The Constitution: Our Priceless Heritage."

PLUCK *versus* LUCK

Some people are forever waiting for a stroke of luck to come their way and make them rich.

It's PLUCK not LUCK that makes for success.

Wealth comes to those who work and prepare—to those who are financially ready to open the door when opportunity knocks—not by wishing.

By the way—has that ACCOUNT been started and are you building it so that it will take care of all emergencies and opportunities?

The start is very important
